As a part of my organization's commitment to reduce energy consumption and educate our members/associates about energy efficiency; please help us implement the measures we have checked below:

- Include one of SWEPCO's Energy Advisors on an agenda to speak at a membership, board meeting, or organization event.
- Provide communication about SWEPCO's gridSMART® initiative in a newsletter, publication, or e-mail to members.
- Include SWEPCO gridSMART outreach booth at membership or organization event. *Booth comes fully staffed and includes educational and promotional materials. Availability is first-come, first-served.*
- Include link to SWEPCOgridSMART.com on organization's website. *Requires signature on SWEPCO's co-branding terms and conditions agreement.*
- Include the link to my organization's website on SWEPCOgridSMART.com
- Customized outreach opportunity with SWEPCO's gridSMART initiative. Please describe: _____

We look forward to working together!
